ALS Analytica is happy to make some special testing offers available to members of Apiculture New Zealand, based on member feedback about testing information that is important to them.

Analysis Request Forms

Available online

<https://analytica.co.nz/Tests/Request-Forms>

Turnaround Times

Listed turnaround times apply to all samples received before 12pm on any given working day. All samples received after 12pm may carry over to the next working day, for the next available run.

Free Sample Containers

We provide sample containers free of charge. To place an order simply email dispatch@analytica.co.nz

Sample Volumes

Please provide a minimum sample of 50g for testing. Refer to our tech note "Tests and Sample Volumes" to find the additional amount of sample needed per test.

Sample Storage

Samples will be retained for 4 weeks after testing, before being disposed of. If you would like to have your samples returned to you after the 4 weeks (freight and handling fees apply) please indicate so on your request form.

Online Services

Pre-register samples and view your results online with Analytica Direct and Analytica Online. To sign up or for further information, contact sales@analytica.co.nz
